

Professional Training in the Original *DR VODDER METHOD OF MANUAL LYMPHATIC DRAINAGE* MLD & Combined Decongestive Therapy (CDT)

PERTH 2018 / 2019

BASIC BODY: 26th - 30th November 2018: 8.30 am - 5.30 pm (40 hrs)
THERAPY 1: 3rd - 7th December 2018: 8.30 am - 5.30pm (40 hrs)

Instructor: Jan Douglass

The Basic Body class teaches all the fundamental techniques required to perform MLD.
Theory includes in depth lymphatic anatomy and physiology.

The Therapy 1 class teaches the applications of MLD for deep drainage of the head, trunk and all major joints and muscles. There are theory and practical assessments which must be completed successfully for entry into the Therapy 2 & 3 class.

THERAPY 2: 18th - 22nd January 2019: 8.30 am - 5.30pm (40 hrs)
THERAPY 3: 25th - 29th January 2019: 8.30 am - 5.30pm (40 hrs)

Instructors: Koby Blanchfield, Prof Neil Piller, Guest Speakers

The Therapy 2 & 3 classes extend the student into latest research in lymphology and the treatment of all indications for MLD including lymphoedema treatment and bandaging.
Upon successful completion of the theory and practical assessments, you will be awarded the Vodder School's International Certificate in MLD & CDT.

The certificate in MLD & CDT is recognised by the Australasian Lymphology Association (ALA) as equivalent to a Level 2 Lymphoedema Training. Graduates who meet the undergraduate and continuing education prerequisites of the ALA are eligible to be listed on the National Lymphoedema Practitioner Register. www.nlpr.asn.au (30 LCPD points)

Therapist Training Information

Prerequisites

BASIC BODY COURSE

Enrolment is open to persons with one of the following qualifications:

- Medical Doctor
- Naturopath
- Occupational
- Therapist
- Osteopath
- Physiotherapist
- Registered Nurse
- Remedial Massage Therapist

UNDER GRADUATE STUDENTS

Students of undergraduate programs in any of the prerequisite qualifications who have completed a minimum of 500 hours in the curriculum of a recognised course may commence training with the Dr Vodder School, however completion is required before the Dr Vodder School Certificate can be issued.

THERAPY COURSES

Therapy 1: Enrolment is open to persons who have satisfactorily completed the Vodder Schools International Basic Course for Therapists.

Therapy 2 & 3: Enrolment is open to persons who have successfully completed the Vodder Schools International Therapy 1 course.

Documentation of an appropriate undergraduate qualification is required before the Therapy 2 and 3 certificate will be awarded.

Students whose sole purpose is to aid a relative requiring MLD do not need to have a prerequisite qualification but must submit a written agreement to use MLD for that relative and particular condition only.

For More information about the full Dr Vodder Training, please read The Therapist Training Information Package available online at: www.lymphworks.com.au/dr-vodder-training.html

Training Venue

Training will take place in the Wattle Room C, Murdoch University Village (South Street, Murdoch WA 6150).
